

Podiumplan Frozen Steam – A tribute to rock

Bluguitar head + 2x12" cab via mic

Git amp 1

A diagram showing a guitar amp setup. A grey box labeled 'Git amp 1' is positioned below the text 'Bluguitar head + 2x12" cab via mic'. A small grey circle representing a microphone is located directly below the amp box.

Mics voor 5 delige drumkit

Drummonitor

A central diagram of a drum kit setup. At the top, it says 'Mics voor 5 delige drumkit'. The kit is represented by various circles and squares. Two vertical grey boxes labeled 'Drummonitor' are placed on either side of the drum kit. The entire setup is enclosed in a green rectangular border.

Gallien Kreuger Bass Amp via DI

Bass amp

A diagram of a bass amp setup. A grey box labeled 'Bass amp' is positioned below the text 'Gallien Kreuger Bass Amp via DI'.

Koch Head + 4x12" via mic

Git amp 2

A diagram of a second guitar amp setup. A grey box labeled 'Git amp 2' is positioned below the text 'Koch Head + 4x12" via mic'. A small grey circle representing a microphone is located directly below the amp box.

1 mic + Boomstand Backing vox

Monitor git1

A diagram of a backing vocal setup. A small grey circle representing a microphone on a boom stand is positioned above a grey box labeled 'Monitor git1'.

1x mic + Rechte stand Leadvox

Monitor Leadvox

Monitor Leadvox

A diagram of a lead vocal setup. A small grey circle representing a microphone on a right-hand stand is positioned above two grey boxes, both labeled 'Monitor Leadvox'.

1 mic + Boomstand Backing vox

Monitor Bass Optioneel

Monitor Git2 / Keys

Keyboard

Keyboard DI

A diagram of a keyboard and backing vocal setup. A small grey circle representing a microphone on a boom stand is positioned above two grey boxes: 'Monitor Bass Optioneel' and 'Monitor Git2 / Keys'. To the right, a grey trapezoidal shape labeled 'Keyboard' is tilted, with 'Keyboard DI' written below it.
